Essence Toner

e moh rah / ěmōrah

EMORA Essence Toner is made with Asia's centuries-old secret—Rice Water. Rich in vitamins, minerals and amino acids, EMORA Essence Toner will moisturize, brighten and tone your skin, refining the look of your pores and leaving your skin feeling silky smooth. Our Rice Water Ferment based formulation will quickly quench your thirsty skin, supporting elasticity and resistance to wrinkles, while diminishing dark spots and balancing the pH of your skin. Applied beforehand, EMORA Essence Toner allows EMORA Rejuvenating Serum to penetrate more deeply to reveal the real, beautiful you.

TARGET AUDIENCE

Women and men over the age of 30 who want to combat the negative impact of aging, environment and genetics on their skin, and who want to integrate a successful skin care regimen into their daily ritual. For women and men under the age of 30, this can be a proactive approach to skincare, slowing age related skin concerns, and keeping their skin feeling and looking its best.
